

This is a reminder for our *“As American As Apple Pie” concert*. This concert is a tribute to our veterans and a remembrance of the heroes of 9/11 - and celebrates all of our first responders in our community. It will feature a spaghetti dinner beginning at **5 pm**. We will then transition to the gym where the marching band will perform beginning at **6:30 pm**. Our JROTC Unarmed and Armed Drill Teams will present an exhibition at **6:45 pm**. We will transition to the auditorium to hear music from our jazz, concert, and symphonic bands beginning at **7:00 pm**. We will then have cake and light refreshments at **7:40 pm** in the commons to once again thank our Honored Guests.

Please reach out and invite your friends, neighbors and broader Oregon City community. This will be an excellent time to come enjoy great kids, entertaining music, wonderful food, and to remember and thank our veterans and first responders.

Please let us know if you will be joining us for dinner so we make sure to have enough food by filling out the [Veterans Appreciation Dinner Form](#).

***Since band is a performance class**, all band students demonstrate their progress through concert performances. A concert is considered our **final exam and is graded as such**. In order to give the best possible performance, it is extremely important that every band student participates; every student is important to the ensembles.
