This will be a great time for us to have a great weekend on the beach, practice parade marching for Homecoming, finalizing memorization for the field show, and grow as a band. Please remember, under no circumstances is anyone to enter or **touch** the ocean at any time. Not following this rule will warrant a call to parents and you **will be sent home**. The ocean is very dangerous on this part of the coast and the safety of everyone is paramount on all band trips. The details for the weekend are located on the back of this page.

The cost for the weekend is \$75 payable to accounting. Make checks out to OCHS Band. The money is due by November 1, 2017. I want to give families time to participate in fundraisers to help offset this cost. Please let Mr. Henson know if you have questions.
